

冰和火之歌

我的博客是根据一个叫“冰和火之歌”的故事。“冰和火之歌”是一本很热门的书，也是一个电视秀，作者是 George R. R. Martin。他的书告诉我们一个叫 Westeros 的世界。Westeros 也叫七个王国，因为在 Westeros 有七个王国。这个故事不是我写的，我只给你们简述一下。

在 Westeros 有七个王国，四个王，还有一个女王。大家都想坐上铁王座。铁王座是在皇城，也就是七个王国的都城。谁坐上铁王座就可以主宰所有的七个国王。所以，发生了一场很大的战争。叫 Daenerys 的女王有三条火龙，大家都想偷。有四个国王都不喜欢 Daenerys，所以一起派了一个战士去杀死了她的家人。女王逃离了她的王国，和她的三条火龙去了一个很远的地方。在那儿她组织了一个强大的军队，想办法要回她的王国，

北边的王国叫 Winterfell，国王叫 Ned Stark，住在皇城的王杀死了 Ned Stark，所以 Ned Stark 的儿子很不喜欢皇城的王。Ned Stark 的儿子叫狼王，他和他的战士要去皇城报仇。结果皇城的国王死了。他的儿子是一个很不好的王，叫 Joffrey，大家都不喜欢他，所以都要杀死他。Joffrey 坐上了铁王座，可是他的伯伯和叔父也都想坐上铁王座。他们也都有很多的战士和军队。

有太多国王，可是太少王座。有的国王死了。有的就要死了。只有一个国王可以主宰七个王国。谁会坐上铁王座呢？我们只能拭目以待。

A Song of Ice and Fire

This podcast is based on a book called “A Song of Ice and Fire”. “A Song of Ice and Fire” is a very popular book, and also a TV series. The author is George R.R. Martin. His book tells us of a world called Westeros. Westeros is also called Seven Kingdoms because it contains seven kingdoms. I didn't write this story, I can only give you a brief summary.

In Westeros there are seven kingdoms, four kings, and a queen. Everybody wants to sit on the Iron Throne. The Iron Throne is in King's Landing, the capital city of all the seven kingdoms. Whoever sits on the Iron Throne can rule all 7 kingdoms. Therefore, a huge conflict ensues. The queen, named Daenerys, has 3 dragons that everyone wants to steal. The four kings don't like Daenerys, so one of the king's soldiers kill her parents. The queen flees her kingdom, and she

and her dragons go to a faraway place. However, they want a means to return, so she assembles a huge army of her own soldiers.

The Northern Kingdom is called Winterfell, and its king is named Ned Stark, The king of the capital city kills Ned Stark, so his son doesn't like the king of the capital city. Ned Stark's son is called the Wolf King, and he and his soldiers want to go to the capital to get revenge. Eventually the king of the capital dies, and his son is a terrible king. Everyone hates his son, named Joffrey, so all the kings want to kill him. Joffrey sits on the Iron Throne, but His uncles also want the throne. They also have lots of soldiers and armies.

There are too many kings, but not enough thrones. Some kings are dead, and others will soon die. Only one king can rule the Seven Kingdoms. Who will sit on the Iron Throne? We can only wait and see.
