

錫安國家公園

你們知道我，我真的很喜歡戶外活動....尤其是攀岩！只有攀岩的時候，我才會快樂！放暑假的時後哪裡會是一個去攀岩的好地方呢？我推薦你去猶他州錫安國家公園，有很多地方可以爬山攀岩，非常漂亮。我去過很多次，這就是為什麼我決定寫一個關於錫安的博客。

我最近一次去錫安是去年夏天。我跟我攀岩的朋友去了一個星期。我們先開車去拉斯維加斯過夜，然後第二天到了錫安，是早上十點到達的。我們一看見錫安漂亮的紅色峽谷就很興奮，這是我朋友第一次看見這樣的峽谷！這麼漂亮！！！！我們去了很多景點，哪個都好玩，風景又特別又美麗。我朋友非常興奮可以攀下這樣的峽谷，到峽谷的最底下，可以看到河水，大家都很興奮。我們一邊游泳一邊爬山，游泳可以說是洗澡了。因為天氣很熱，攀下去峽谷氣溫較低所以很舒服。

有很多遊客去錫安國家公園玩，有很多好玩的景點。有的住在旅館有的露營。要是你露營，就可以省很多錢。有很多地方可以讓你露營。我可以帶你們去錫安探險！看我準備的宣傳小冊。

You guys know me, I really love outdoor activities... most of all climbing! Only when I'm climbing am I genuinely happy. Where is a good place to climb over summer break? I urge you to go to Zion National Park in Utah, there are lots of places to hike and climb that are beautiful. I have been many times, this is why I decided to write a blog about it.

The most recent time I visited Zion was last year summer. My climbing friends and I went for one week. We first drove to Las Vegas to spend the night, after that, the second day, we arrived at Zion, we got there at 10 in the morning. When we first saw Zion's beautiful red canyons we were excited, this was my friend's first time seeing a canyon like this. So pretty!! We went to a lot of scenic spots, which were all fun, the landscapes were special and beautiful. My friends were very excited to climb down into the canyon, at the bottom of the canyon you can see the river water, we were all excited. We swam and hiked, the swimming was like a

shower. Because it was very hot, climbing down into the canyon yielded cooler temperatures that were very comfortable.

There are a lot of tourists that travel to Zion National Park to play, and there are a lot of great scenic spots. There are hotels and camping. If you want to camp you can save a lot of money. There are many areas that allow you to camp. I can take you to Zion to go on adventure! For more information look at the pamphlet I prepared!

美國錫安國家公園旅遊

請跟有經驗的攀岩導遊來探險！
來探索漂亮的紅石峽谷和彎曲的維琴河。

The Narrows

The Narrows 是一個蜿蜒河峽谷。這個峽谷又很隘又長。天氣熱的時候,你可以來這裡爬山,也可以游泳降溫。因為只有一個這樣上下,不管多久你可以爬山,你都可以早轉身。因為這裡又漂亮又很舒服,所以人們最喜歡來這裡爬山。

The Subway

The Subway 是一個小峽谷。你先爬八英里,然後用繩子降下去進入峽谷,最後你再爬出去。因為 The Subway 比 The Narrows 和 Angel's Landing 更難爬,所以要是你能爬出來的話,你一定會覺得很驕傲。

Angels Landing

你喜歡美景嗎? 那就去 Angels Landing 吧! 因為 Angels Landing 又驚險又美麗, 所以遊客很愛去那裡爬山, 非常有名。

Zion National Park

You are invited with an experienced rock climber on an adventure!
Come explore the beautiful red canyons and the winding Virgin River.

The Narrows

The Narrows is a snaking river canyon. This canyon is very narrow and very long. When it is hot outside, you can go hiking and also swimming here to cool down. Because there is only one way in and out, regardless of how long you can hike you can turn back early. Because The Narrows are beautiful and very comfortable, therefore a lot of people like to hike here.

The Subway

The Subway is a small canyon. You first hike eight miles, after that using ropes you descend into the canyon, last of all you climb out at the end. Because The Subway is more difficult to climb than The Narrows and Angels Landing, therefore if you climb out of it you will feel very accomplished.

Angels Landing

Do you like beautiful scenery? In that case, go to Angels Landing! Because Angels Landing is thrilling and beautiful, therefore tourists love to hike there and it is very famous.
