

## Title: Where's My Broccoli

### 我的花椰菜在哪兒？

### Wǒ de huāyēcài zài nǎr?

**Summary:** Three students get off sports practice; really hungry, and to go to dinner together. At a restaurant, everyone ate and talked about food preferences; and it turned out that one of them only eats meat and no veggies! The carnivore develops a skin rash and the friends notice and suggest that he goes to see a doctor. There the student is prescribed to only eat veggies. The magical benefit of broccoli come to light, too bad others are also after the benefits of broccoli.
